Life's WORC & The Family Center for Autism offers many volunteer opportunities to assist at our programs and in our administrative office.

Volunteer candidates offer their time for many reasons:

- to give back to the community**
- to share their love of sports**
- to share their musical or artistic talent with children**

Volunteers are an essential part of Life's WORC. You can give meaningful assistance to individuals attending our recreation programs after school and on weekends. Gain experience in your field of study!
